Subject : Time Limited Exemption ROAAS for the
aircraft with registration mark TC-LMF

12 June 2026

TO WHOM IT MAY CONCERN

Turkish Airlines has made a time-limited exemption application to DGCA of Türkiye for the Boeing 787-9 type aircraft with registration mark TC-LMF and serial number 68884. This aircraft does not meet the “Runway Overrun Awareness and Alerting System - ROAAS” requirement as per Section 6.26 of ICAO Annex 6 Part I, International Commercial Air Transport-Aeroplanes, 12th Edition.

As a result of the evaluations made within the scope of SHT-MUAFİYET OPS/FCL Instruction requirements, a time-limited exemption was granted for the aircraft mentioned above from 12.06.2026 to 12.12.2026 by Article 7 (6) of SHT-MUAFİYET OPS/FCL Instruction.

Best regards.

Prof. Dr. Kemal YÜKSEK
Director General
