**Memorandum on Activities of EASA Part 147 Approved Organizations  
In Turkey**

**UED-2015/1**

The applications on Aircraft Maintenance License in Turkey are processed in accordance with the provisions of SHY-66 (By Law) & SHT-66 (Instructions). And also module exams, theoretical and practical type trainings, carried out by authorized EASA Part-147 Organizations, are accepted by Turkish DGCA without any additional requirement.

After the experience gained during the recent cases, and the careful review of the current situation, it has been decided to take additional measures in order to avoid any unexpected results and improve the current system accordingly.

Hereafter; theoretical and practical type trainings and module exams to be conducted by EASA Part-147 Approved Organizations in Turkey must be acknowledged and recognized by the Turkish DGCA based on the application of such organization prior to the training and/or examination activity.

In this respect, Certification of Recognition would be issued after the satisfactory assessment of the Part 147 Organization in order to ensure the quality of the training and module examinations. These 147 Organizations shall apply to Turkish DGCA with the following information/papers:

1. The Application Form, attached (Filled and signed),
2. Copy of the EASA Part-147 Certificate.
3. The Authority letter confirming the acknowledgement & acceptance of the venue/facilities and methods of the training and examination activities to be conducted in Turkey.
4. The commitment letter signed by the accountable manager which states that the content of the examinations and trainings will be provided based on the requirements below:
